Nevada's Big Give
March 21, 2019

Be a part of Nevada's day of giving - an opportunity to unite our community around causes in which we truly believe and help nonprofit organizations connect with the larger community.

We need your help! Please join United Way of Northern Nevada and the Sierra by changing a child’s story through books! Your donation will help us give more families the resources they need to nurture strong readers that will grow up to be powerful leaders.

$5.00, the cost of 1 Starbucks coffee, can change a child’s story, one book at a time!

On March 21, for 24 hours, starting at 12 a.m., visit our UWNNS link at www.nvbiggive.org and make a donation. But you don’t want to wait until March 21, you can make your donation today, and it will count towards the total raised during Nevada's Big Give!

Tell your friends and family members about the important work UWNNS does to improve lives in northern Nevada and ask them to join us in helping to make a difference.

We ask you to forward this email to 5 family members and friends and share it on your favorite social media site!

Together, we can accomplish more than any individual or organization can accomplish alone. We are proud to be YOUR United Way!
