

PHASE 40
EMERGENCY FOOD AND SHELTER PROGRAM (EFSP)
2022 LOCAL RECIPIENT ORGANIZATION (LRO) REQUEST FOR FUNDING
APPLICATION INSTRUCTIONS

Please read these instructions before starting the application.

Completion of application is **NOT** a guarantee of funding.

Lyon County deadline for applications: 5:00 p.m. (PST) on Wednesday, March 1, 2023

The spending period for the funding is anticipated to be November 1, 2021 – December 31, 2023.

Background

The Emergency Food and Shelter Program (EFSP) was established in 1983 by Congress with the intent of supplementing local efforts to provide emergency shelter and food to people in need. The Local Boards for the Emergency Food and Shelter Program invite interested, qualified non-profit community organizations, faith-based organizations, and government entities to request grant funding to provide emergency food, shelter, one-time rental/mortgage and utility assistance to people in need.

These funds are made available through the Department of Homeland Security's Federal Emergency Management Agency (FEMA) under the Emergency Food and Shelter National Board Program. Funds awarded to local jurisdictions are calculated by the National Board based on a formula that takes economic health, income levels, joblessness levels and other factors into account. EFSP is funded through a U.S. congressional appropriation.

Applicant Eligibility:

Funds will be available as a direct award to organizations serving residents in Lyon County. Funding must be spent to serve people within the jurisdiction in which it is awarded. Due to limited funds, this is a competitive grant. Please note that the phases awarded during 2020 – 2022 included significant additional funding through the CARES Act and the American Rescue Act. Those funds have been exhausted, and phase 40 funding returns to the more typical funding that was available pre-COVID-19.

The intent of this program is to supplement and expand ongoing existing efforts to provide shelter, food and supportive services and not to substitute, supplant, or reimburse ongoing programs and services or to start new programs. If your agency does not have an existing funded program in the category/ies in which you are applying, you are not eligible to apply.

Applicant Eligibility:

Eligible applicants must:

- Not charge any fees for EFSP funded services
- **BE SUPPLEMENTING EXISTING PROGRAMS**
- Be a non-profit, faith-based organization, or governmental agency
- Have an accounting system or fiscal agent approved by the Local Board/State Set-Aside Committee
- Have a checking account (for electronic funds transfer)
- Have a Federal Tax Identification Number (Federal EIN)
- Have a Unique Entity
- Have an annual organization audit available and provide to UWNNS as follows:
 - Conduct an independent annual audit if receiving \$100,000 or more in federal funds;
 - conduct an annual accountant's review if receiving \$50,000 to \$99,999 in federal funds.
- Practice nondiscrimination according to State of Nevada and federal laws

- Already be providing services in the area in which the agency is seeking funding
- If a private nonprofit, have a voluntary board
- Comply with all EFSP program reporting and audit requirements

Agencies that meet eligibility requirements may apply for funding, including those that received funding in previous phases or funding from the UWNNS Emergency Assistance Fund (EAF). Previous participation in the Emergency Food and Shelter Program is not required to apply for any of the current phases. Eligibility to apply **does not guarantee funding**. Past agencies with outstanding compliance issues, including an incomplete final report in phases 37, CARES, or 38, may apply for funding, but must resolve the outstanding issue as directed by UWNNS.

NEW this funding cycle:

All agencies participating in the Emergency Food and Shelter Program (EFSP) must provide their Unique Entity Identifier (UEI). Agencies applying for these federal funds must have a UEI. The National Board used the DUNS previously, but the DUNS is now obsolete and is not acceptable for entities receiving federal funding. The federal government stopped using the DUNS Number to uniquely identify entities. Now, entities doing business with the federal government or receiving federal funds must use the UEI created in the System for Award Management ([SAM.gov](https://sam.gov)). If your entity is registered in [SAM.gov](https://sam.gov), you already have your UEI, and it is viewable in [SAM.gov](https://sam.gov).

Agencies must pay for all eligible program expenses by an EFSP approved method of payment. Using any other method of payment, including third party vendors like Bill.com, automatically makes the purchase ineligible. The only approved payment methods are:

- LRO check,
- LRO debit card,
- LRO credit card (i.e., American Express, Visa),
- Electronic payment from LRO's bank account.

Before applying, please ensure that your agency will utilize only one of the above, approved methods. This funding requires a significant amount of back-up documentation, and agencies should only apply if they are able to provide required documentation and reporting.

NOTE: Emergency Food & Shelter Program funds cannot be used as matching funds.

UPDATE: Emergency Food & Shelter Program funds cannot be used to pay another agency; they can only be used to pay a vendor directly (landlord, utility company, food supplier, hotel).

Eligible Activities for Funding:

The intent of EFSP is to supplement and expand current available resources and not to substitute or reimburse ongoing programs and services or to start new programs. Funding Request Guidelines:

- Agencies must demonstrate in their program narrative how they will effectively utilize the EFSP funds requested during the spending period.
- EFSP funds must supplement an existing funded program. The funds cannot be used to start new programs or prevent a program closure. Programs must include the cost of providing the services; do not submit budgets in which applying agency only covers the cost of program staff.
- EFSP funds cannot be utilized to replace federal, state, or city grant contracts.
- The minimum grant is \$500.

Agencies will be required to report back on number of clients served and continuously report remaining funds as requested by United Way of Northern Nevada and the Sierra. Agencies will be required to certify that monies will be expended only on eligible costs and will be asked to provide backup documentation to support expenditures (e.g. canceled checks, invoices, logs of clients served, etc.). Failure to submit reports and documentation in a timely manner will affect an agency's ability to receive future funding. The agency will be financially responsible for returning any funds for which they fail to provide required documentation. If funded, agencies will be provided with further direction for documentation.

Funded agencies must provide United Way of Northern Nevada and the Sierra with the following financials covering the spending period for which funds are allocated:

- Funded agencies must have their records audited by an independent certified or public accountant if receiving \$100,000 or more in EFSP/EAF funds. Provide a copy to UWNNS within 30 days of the completed annual audit.
- If a funded agency receives from \$50,000 to \$99,999, they must have an annual accountant's review and provide it to UWNNS within 30 days of completion.

Appeals Process:

An agency not selected for funding may appeal the decision, provided that the appeal is based upon violation of program regulations or errors on the part of the Local Board. Only when there is a question of serious misapplication of guidelines, fraud, or other abuse on the part of the Local Board will action be considered. No appeals will be heard on the basis of funding level or late submission. The appeal process is as follows:

- The agency must submit a written appeal to the Local Board **within ten calendar days of notification** about the outcome of its application. The written appeal must provide a detailed account of the agency's reason for the appeal.
- The written appeal must be signed by the Executive Director of the agency and mailed or delivered to: United Way of Northern Nevada and the Sierra, ATTN: EFSP Local Board, 639 Isbell Road, Suite 460, Reno, NV 89509.
- An Appeals Committee consisting of no less than three members of the Local Board will review the appeal within five business days of receipt.
